With this Bible reading plan you will read through God's Word as the events occurred. Though not all theologians have agreed on the order as it is presented here, most have agreed on this ordering.

Notably, Job is soon after the creation in this chronological order, since he lived after Adam but before Abraham.

You will also find yourself reading parallel accounts in the Old Testament histories and in the Gospels since much of the biblical account is presented from different perspectives.

Over the course of the year you will spend about one week reading the Bible in easily accomplished twenty-minute daily readings. Check off the reading for each day when you have read it and be sure to share what you read with a friend.

Use this brochure as your bookmark and start your year off the right way with an exciting journey through God's Word—as the story unfolded!
